These notes are to assist the Synod Moderator in ensuring that an Interim Moderator is aware of all the special factors that might obtain when both a CRCW or a CRCW-in-Training is being introduced to a post. Most of the following would be expected in the normal pattern of introducing a CRCW to a Church-in-Community. Some elements are particularly sensitive where the introduction of a CRCW-in-Training is concerned.

1. The Synod Moderators will take care to identify the Church-in-Community(ies)

8. After a call to the Church-in-Community is given and accepted, the Interim Moderator is a key person in a number of practical matters:
  - x to ensure concurrence has been given and received by the Synod;
  - x to arrange a date for the service of Induction, which is suitable for the Synod Moderator, newly qualified CRCW, Church-in-Community and Synod.
  - x putting together the order of service in consultation with the newly qualified CRCW and the Church-in-Community, and with the agreement of the Synod Moderator; all parties should agree the content and order before printing deadlines are identified.
  - x to ensure that the manse is in good order and ready for occupation, cleaned and with all systems checked to be working; this is especially important if the manse has been let to tenants after a CRCW has left or is subject to building works.
  - x There may be times when an Interim Moderator has a role in the handing over of records and contact lists relating to the Church-in-Community; this is especially important in respect of confidential information regarding sensitive pastoral issues. The Synod Moderator may give guidance over these matters.
