We asked Ukrainian young people who are refugees in the UK what we should pray for on the second anniversary of the war in Ukraine. Here is their response:

We hold brore you refugees who still feel like strangers, unsure when or if they will ever see and hug loved ones again.

Keep safe those who remin in Ukraine. Potect therfrorthe ental and physical wounds of war. We ask for a irraculous end to this boodshed.

Help us, even when we feel powerless, to act where we can. σ care, to listen, to sit with those who grieve. σ give, to protest, to continue to pray:
